Earth Systems Undergraduate Internship Supervisor Evaluation Form

Dear Internship Supervisor,

Thank you for taking the time to mentor an Earth Systems undergraduate student! As a part of the Earth Systems major, all students are required to complete an internship project for which they are awarded 9 units of academic credit. An evaluation of the student’s work from the internship supervisor is required for the student to be awarded credit.

Student name: ____________________________ Date: ____________________________

Name of the internship organization: _____________________________________________

Supervisor’s name: ____________________________

Supervisor’s contact information (e-mail or phone): ____________________________

Please submit this completed form to Kristin Tewksbury, Earth Systems Student Services, at ktewks@stanford.edu or via US mail at 473 Via Ortega, Rm 127, Stanford, CA 94305-4215.

Please attach additional sheets if necessary.

What major tasks were assigned to the student during the internship? Over what time frame?

Did the student successfully complete these tasks?

How did the student’s work contribute to the organization overall?

Do you have any other comments on this student’s internship performance?

Would you be willing to work with future Earth Systems students on internships?
