

Earth Systems Undergraduate Internship Supervisor Evaluation Form

Dear Internship Supervisor,

Thank you for taking the time to mentor an Earth Systems undergraduate student! As part of the Earth Systems major, all students are required to complete an internship project for which they are awarded 1 unit of academic credit. An evaluation of the student's work from the internship supervisor is required for the student to be awarded credit.

Student name: _____ Date: _____

Name of the internship organization: _____

Supervisor's name: _____

Supervisor's contact information (e-mail or phone): _____

Please submit this completed form to Anahid Babekian, Earth Systems Student Services Manager, at anahids@stanford.edu or via US mail at 473 Via Ortega, Rm 127, Stanford, CA 94305-4215.

Please attach additional sheets if necessary.

What major tasks were assigned to the student during the internship? Over what time frame?

Did the student successfully complete these tasks?

How did the student's work contribute to the organization overall?

Do you have any other comments on this student's internship performance?

Would you be willing to work with future Earth Systems students on internships?
