

**Earth Systems Internship Student Self Evaluation Form**

Dear Earth Systems Student,

We are working to continually improve the internship experience for future Earth Systems students, and your feedback on your experiences is very helpful. Please be candid in your responses. This form will be read by Earth Systems staff only, and will not be shared with your internship supervisor or organization.

Student name: \_\_\_\_\_ Date: \_\_\_\_\_

Name of the internship organization: \_\_\_\_\_

Brief description of your internship job duties: \_\_\_\_\_

---

*Please submit this completed form to Anahid Babekian at [anahids@stanford.edu](mailto:anahids@stanford.edu) or to Y2E2, 473 Via Ortega, Rm 127, Stanford, CA 94305-4215 **by the end of the quarter** following your internship.*

Please write or type responses, completing on a separate page if necessary.

1. How did you learn about this internship opportunity?
2. Was this internship experience a valuable component of your Earth Systems major?
3. Were you encouraged to apply interdisciplinary skills and perspective to your work?
4. Did you get the mentorship and training that you needed to be successful in this internship?
5. Would you recommend other Earth Systems students to work for this organization?
