

# EARTHSYS 123A/223A: Biosphere-Atmosphere Interactions

Prof. Alex Konings (konings@stanford.edu)

Winter Quarter 2021

T/R 12:30-1:50 PM

(online, synchronous & asynchronous)

*How do ecosystems affect climate?*

*How does climate affect ecosystems?*

*How can our earth system models represent all this?*

**Elective for Earth Systems  
Land & Biosphere Tracks!**
